13<sup>th</sup> March 2025

Dear Parents/Carers

Please see below details about an opportunity to join a Study Skills webinar designed to help parents and carers understand how to support their young people to get started, and stay on track, with their GCSE revision. I hope you find it useful.

*After running successful Study Skills webinars for parents and carers last year, neaco are launching the same FREE online session for parents and carers for 2025! The webinar is for parents and carers of Year 10 and 11 students in any Uni Connect partner school!*

*The event listing can be found on the [Take Your Place events page](#):*

**Study Skills parent and carer online sessions: How to support your young person with their GCSE revision**

**Date: Tuesday 18 March 2025, 6 – 7pm, MS Teams webinar and the sign up form is [here](#).**

*Once you've signed up, we will send you further information and a link to the online session.*

*This session is designed for parents and carers, but if young people want to join too, they're more than welcome!*

*Please note: We're offering two online sessions, one for the East Anglian region (Norfolk, Suffolk and Cambridgeshire) on Monday 12 March, 6-7pm and one national session on Tuesday 18 March. Both sessions will feature the same content. We're hosting two sessions to give the opportunity for more parents and carers to join us. You don't need to attend both sessions.*

*If you're unable to attend either session, please do visit our [Parent and Carer Study Skills webpage](#), which features useful information and practical tips for supporting young people with their study and revision. Any questions please email [neaco@uea.ac.uk](mailto:neaco@uea.ac.uk).*

Yours sincerely

*Rachel Robinson*
