RMCG/KRE

25th October 2024

Dear Parents/Carers

I wanted to write to you at the end of this first half term to thank you for your support at the start of this academic year. We have started the year well with attendance and uniform standards showing great improvement, significant reductions in the numbers of children being sanctioned for poor behaviour choices and a summer set of results which show the improvement journey continuing well.

We were also delighted to be awarded with the Best Secondary School trophy at the Cumbria Golden Apples Education awards a few weeks ago. This is a wonderful achievement for our school community and I am very thankful to those of you who nominated and supported us for this award.

As you'll know we reach the half term break next week and I am looking forward to welcoming all students back to the academy on Monday 4th November. We had a really good start in terms of uniform and standards but a couple of gentle reminders:

- Students are not allowed to wear short jersey style skirts.
- Students are not permitted to wear jewellery in school.
- Mobile phones should not be used in school.

As you will expect we will start the next half term resetting these standards so please bear this in mind when Monday 4th November comes around.

We have been delighted to receive the first few PROUD messages from parents to celebrate the brilliant things your children do outside of school. Please do continue to share with us with a picture if you would like us to publicise on our own social media platforms. If you do not already, please do follow our Facebook page which is regularly updated with news and pictures from what goes on every day in our academy.

Please find attached to this email a copy of the proposed winter menus for dining at the academy. Thank you for those of you who responded to our survey on this earlier in the term we will feedback to you in due course actions that have resulted. You and your child will also receive invitations shortly to take part in the United Learning Student and Parent surveys. These are really important in us collecting your views. There will be more to come on this after half term.

We have a full timetable of revision for Year 11 students during Half Term, these are a mixture of in school and virtual classes. Students will be emailed invitations to the virtual sessions so they can access through Teams. The timetable is overleaf.

I hope everyone has a restful half term. If you require any support during half term, please do get in touch via the academy website. Thank you again for your support.

Yours sincerely

Richard McGuire
