27th September 2024

Dear Parents/Carers

I would like to invite you to the academy on Friday, 4th October at 9:30am for an informal coffee morning. I will host the coffee morning and will be able to answer any questions you have, and I will also update you on life at the academy and any new developments. I can also offer a tour of the academy so you can see for yourself our wonderful learning environment.

I intend to hold these coffee mornings regularly and we will have different themes for each session. The next coffee morning will focus on 'supporting extended writing development'. The date for this will be shared in due course.

If you would like to attend our first coffee morning next Friday morning, please complete the form on this link: [Informal Coffee Morning Attendance](#)

I really hope you can attend, and I look forward to welcoming you to the academy soon.

Yours sincerely

Richard McGuire
Principal
